

COMMUNITY UPDATE

6th June 2022

Dear Community Member

Further to our earlier communication we can confirm that the fire has been safely contained. Nobody was injured.

Our own specialist teams responded quickly and, with the help of Hampshire Fire and Rescue Service, safely addressed the situation.

We may continue to use our flare in order to safely manage ongoing operations.

Again, we apologise for any concern that has been caused and thank you for your patience and understanding.

Regards

Annita McCurdy
