EXXONMOBIL FAWLEY SITE  
AND  
FAWLEY NORTH CHEMICAL PLANTS

## **PUBLIC WARNING SYSTEMS WILL BE TESTED CONSECUTIVELY**

**2.30pm and 7.00pm  
TUESDAY 5<sup>TH</sup> OCTOBER 2021**

- Activation Sound – Two tone warble (for 1 minute)
  - All Clear – Continuous

The public warning systems which would sound in an emergency are tested annually. **NO ACTION** by local residents is required as a result of hearing these tests. In the unlikely event of any changes to the planned timing, information will be broadcast on BBC Radio Solent (96.1 FM, 99.9MW).

**Do you know what to do in the event of the alarm sounding?  
Do you know if you are in the COMAH South PIZ?  
Did you know that in the event of an incident at Fawley and the COMAH alarm sounding, you should shelter in a building and tune-in to the local radio station?**

If the answer to these questions are '**NO**', visit the ExxonMobil section at [www.fawleyonline.org.uk](http://www.fawleyonline.org.uk) for safety information and to hear the alarm.

For further information, telephone  
**ExxonMobil Fawley: (023) 8089 2511**  
To listen to a recording of the alarms, call  
**Freephone: 0800 1693597**
