

COMMUNITY UPDATE

10th September 2021

Dear Community Member

We want to advise you that we will be standing down one of our units from today to undertake essential maintenance.

Those living in the immediate surrounding area to our site may hear some additional noise, and some flaring may be visible for a period. However, we are taking steps to minimise this wherever possible.

The use of our flares is completely safe and controlled.

We apologise in advance for any inconvenience and thank you for your patience and understanding.

Regards

Annita McCurdy

Process Manager
