

COMMUNITY UPDATE

17th October 2021

Dear Community Member

As part of our ongoing commitment to maintenance and investment in our operations, we want to advise you that we will be undertaking some work on our Cogen Unit – our combined heat and power recovery unit.

To allow our team to begin their work, we will safely stand this unit down tomorrow morning.

If you live in the immediate surrounding area, you may hear a short period of slightly increased noise while we conduct this work but we are taking steps to minimise this wherever possible.

We apologise in advance for any inconvenience that this essential work may cause, and we thank you for your patience and understanding.

Regards

Richard Hammond
Process Support Manager
